

Special Donors

The following special group of donors exemplifies the enduring support of the North Memorial family. They are being recognized for cumulative contributions of \$25,000 or more to the North Memorial Foundation.

These people have been, and continue to be, an inspiration to us all. By giving through the

Foundation, they support North Memorial's efforts to respond to the growing needs of our communities.

Very simply, thank you. Such generosity and commitment touches the lives of countless men, women and children.
