

North Memorial Health

RESIDENT CLASS 2024 - 2025

ASHP Accredited PGY1 Pharmacy Practice Residency

Ashley Green, PharmD | Ashley.Green@NorthMemorial.com

Ashley grew up in Grand Marais, MN. She went to University of Minnesota- Duluth for undergrad. She continued her journey at Roseman University in Henderson, Nevada for pharmacy school. Ashley's clinical areas of interest include emergency medicine and critical care. In her free time, she enjoys gardening and hanging out with her three dogs and cat. Fun Fact about Ashley: She is an animal lover and started an animal rescue that still operates 14 years later.

Sarah Oxley, PharmD | Sarah.Oxley@NorthMemorial.com

Sarah grew up in Sussex, Wisconsin. She attended Marquette University with a major in Biomedical Sciences and a minor in Spanish. She then completed her Doctor of Pharmacy from the University of Minnesota-Twin Cities College of Pharmacy. Sarah's clinical areas of interests include cardiology, critical care, and infectious disease. She is hoping that as she progresses through her rotations this year, she will decide if she would like to pursue a PGY2 in an area of clinical interest or become a staff pharmacist and start her career! In her free time, she loves spending time outside playing hockey or skiing, reading, or playing trivia with friends.

ASHP Candidate Status PGY2 Critical Care Residency

Jillian Brooks, PharmD | Jillian.Brooks@NorthMemorial.com

Jillian grew up in Aurora, Illinois. She earned her Bachelor of Science in Chemistry with a minor in Spanish at the University of Minnesota-Twin Cities. She then continued at the University of Minnesota-Twin Cities to complete her Doctor of Pharmacy. Jillian completed her PGY1 pharmacy practice residency with North Memorial Health in May of 2024. She will be North Memorial's first PGY2 Critical Care resident this year. Jillian's clinical interests are in emergency medicine and critical care and she is interested in pursuing a critical care specialist position in the future. In her free time, she enjoys reading, doing puzzles, going for walks or to the gym and cooking.
